

This gives us the opportunity to complete the support application in which the registrations will actually be made and which will guide us throughout the event with the program, the results obtained and the announcements from the organizers.

We are sending you the presentation **flyer of the venue** and **some details** based on the questions received from different national sections:

- There is only one fee for all the sports (395 Euro/person), but is the possibility that some sports disciplines to overlap as day and time.
- The same representative may participate in multiple sports if these don't overlap, but it's best to consult the schedule that will be established and then register as you wish.
- The biathlon will use 5.6 mm calibre rifles. There will be 5 targets at a standard distance of 50 m.
- In shooting competition the calibre will be 9 mm, and 30 rounds will be fired at the target with circles at a distance of 20 m.
- During the biathlon, the rifle will stand up when fired from a stand near the range and will also be left there after firing (you run without the rifle).
