Subject: IPA Monthly Publication – Member Voting and Ongoing Contributions

Dear Presidents, dear friends,

Over the past years, our international newsletter has developed into one of the central communication tools of the IPA. It provides valuable insight into activities, events and developments across our worldwide Association and helps to strengthen our shared identity.

We are now taking the next step by evolving this newsletter into a modern monthly publication with a refreshed concept and design. As part of this development, all IPA members worldwide will be invited to participate in selecting a new name for this publication.

The proposed names for the new publication are:

- IPA Globe
- One World
- IPA Connect
- IPA Voice
- Amikeco
- ParticiPAte

I kindly ask for your support in this important initiative.

The deadline for submissions: **14 June 2026**

Further details can be found, and voting can be completed via the following link:
<https://form.jotform.com/261235724277055>

I would appreciate it if you could actively promote this initiative within your Section, including through your communication channels and social media platforms. Members can also be directed to our website where the link will also be available.

At the same time, I would like to encourage all Sections to contribute regularly to the monthly publication. Please aim to submit short reports and photos on your national and regional activities on a monthly basis.

For consistency and quality, kindly note:

- Each contribution should be a maximum of 2 pages, including photos
- Texts should be concise and written in clear English
- Photos should be of good quality and in landscape format where possible

To ensure a smooth editorial process, please send your contributions by the 25th of each month to the International Administration Centre (IAC).

For clarity, submissions received by the 25th will be included in the publication for the month after the next issue (for example, contributions submitted by 25 May will be featured in the July edition). This allows time for preparation, editing, and production of the newsletter, which is published on the 1st of each month.

In addition, I kindly ask you to support the distribution and visibility of the publication:

- Share it with your members
- Publish it via your social media channel
- Where possible, circulate it within your police organisations or training institutions

This is one of the most effective ways to demonstrate the value of IPA membership, to show what is happening internationally, and to raise awareness of our Association among police colleagues.

Please also ensure that submitted content respects data protection and consent requirements, especially when publishing identifiable persons.

Together, we can further strengthen our communication, increase engagement, and present the IPA as a modern and active global network.

Thank you very much for your continued support and cooperation.

Servo per Amikeco, best regards from Vienna

Martin Hoffmann
